**Michigan Gas Storage Company;
Notice of Request Under Blanket
Authorization**

December 11, 1995.

Take notice that on December 4, 1995, Michigan Gas Storage Company (MGSCo), 212 West Michigan Avenue, Jackson, Michigan 49201, filed a prior notice request with the Commission in Docket No. CP96-96-000 pursuant to § 157.205 of the Commission's Regulations under the Natural Gas Act (NGA) for authorization to abandon by sale to Consumers Power Company (Consumers) approximately 18 miles of 8-inch diameter pipe, under MGSCo's blanket certificate issued in Docket No. CP84-451-000 pursuant to Section 7 of the NGA, all as more fully set forth in

the request which is open to the public for inspection.

MGSCo proposes to abandon by sale approximately 18 miles of 8-inch diameter pipe (Line 200) in Isabella and Midland Counties, Michigan. MGSCo would sell all of the properties, rights-of-way, and facilities associated with the above described pipeline to Consumers at the net book value of \$1,500. MGSCo also states that it would continue to serve Consumers in the area via the Mt. Pleasant Station and the Midland City Gate, which would relieve MGSCo of the obligation to operate and maintain the pipeline facilities without a reduction in service to Consumers. MGSCo further states that Consumers would also have the flexibility to use the pipeline facilities as a high pressure line or as a low pressure distribution line for serving customers in the developing bi-county area.

Any person or the Commission's staff may, within 45 days after the Commission has issued this notice, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to § 157.205 of the Regulations under the NGA (18 CFR 157.205) a protest to the request. If no protest is filed within the allowed time, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the NGA.

**Natural Gas Pipeline Company of
America; Notice of Application**

December 11, 1995.

Take notice that on December 6, 1995, Natural Gas Pipeline Company of America (Natural), 701 East 22nd Street, Lombard, Illinois 60148, filed in Docket No. CP96-99-000, an application pursuant to Section 7(b) of the Natural Gas Act (NGA) and the Federal Energy Regulatory Commission's (Commission) Regulations thereunder, requesting authority to abandon by sale to High Plains Gathering System, LLC ("High Plains"), a non-affiliate, certain certificated facilities that, along with certain other non-certificated facilities, comprise the High Plains system of

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that a grant of the certificate is required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Natural to appear or be represented at the hearing.
